

# LESS THAN 0.3% Δ9 THC VEGAN CHEWS

**Custom Flavors and Additives Are Available**

Our delicious Less Than 0.3% Delta 9 THC Vegan Chews currently available in: Grape, Mango, and Strawberry. Made from the finest US grown hemp. These soft chews are a great addition to your wellness regimen. Our chews can be taken in the morning to help start your day or after work in the evening to unwind. The perfect compromise between soft and firm. Our chews are always just right. All of our products are Third Party Tested by a DEA Certified Lab. We offer the customization of cannabinoid combinations, flavors, additives, strengths, counts, and packaging. MOQ's apply for any nonstandard formulation, flavor, additive, count, or packaging.
