# SUGAR CUBES

Custom Flavors and Strengths Are Available

Our sugar cubes are infused with only two ingredients: hemp extract and pure cane sugar. A perfect addition for your cocktail, coffee, or tea. It's time to try something new and a totally different way to experience the benefits of hemp. Our Delta 8 infused Sugar Cubes are a great addition to your wellness regimen, whether you add them to your morning coffee or tea to jump-start your day or to unwind after work in your evening cocktail. These Delta 8 Sugar Cubes are available in 28ct (112mg), 85ct (340mg), 200ct (800mg), and bulk 500ct (2,000mg) containers with a Delta 8 concentration of roughly 4mg of Delta 8 per Sugar Cube. Made with less than 0.3% THC. All of our products are Third Party Tested by a DEA Certified Lab. MOQ's apply for any nonstandard formulation, flavor, strength, or count. Also available in CBD and THC Free.
