TINCTURE

Custom Formulations Are Available

Our premium hemp-based Tinctures are the perfect method of delivery for sublingual absorption for people who want to enjoy the benefits of hemp distillate. The only ingredients in our Tinctures is hemp distillate, flavoring, with an optional base of medium-chain triglycerides (or MCTs) derived from 100% organic coconut oil or 100% avocado oil. Each of our Tinctures come in 30ml bottles at concentrations including 500mg, 1000mg, and 2000mg, allowing for even greater dosing control. All of our products are Third party tested by a DEA Certified Lab. We offer customization of flavors, strengths, packaging, and cannabinoids, if you are looking for something out of the ordinary. MOQ's apply for any nonstandard formulation, flavor, strength, additive, or packaging.
