# VAPE PEN

**Custom Terpene Flavors Are Available**

Vape Pens can be filled with a large variety of terpene flavors. See the list below for our standard selection of current flavors. If you are looking for a custom flavor or blend, we can help you with the formulation of getting the flavor profile you are looking for. Standard size vape pens are 1 ml. We have several vape pen models to choose from. If you want something custom or different than what we have available, we will be more than happy help figure out a custom solution for you. All of our products are Third party tested by a DEA Certified Lab. MOQ's apply for any nonstandard terpene flavor, vape pen style, or packaging.
